

## **Cenovus named to Climate Disclosure Leadership Index Company selected for fifth year in a row**

**CALGARY, Alberta (December 10, 2014)** – Cenovus Energy Inc. (TSX: CVE) (NYSE: CVE) is being recognized again for its leadership in the reporting of greenhouse gas (GHG) emissions with its inclusion in the 2014 Canada 200 Climate Disclosure Leadership Index. This is the fifth consecutive year that Cenovus has been named to the index, which is published by CDP (formerly known as the Carbon Disclosure Project).

“We’re pleased to have been consistently chosen to be a part of this important index,” said Kendall Dilling, Cenovus Vice-President, Environment & Regulatory. “This recognition is an endorsement of our continuing efforts to be transparent in all of our environmental performance reporting.”

CDP’s annual Canada 200 Climate Disclosure Leadership Index highlights the largest 200 companies (by market capitalization) listed on the Toronto Stock Exchange that have demonstrated excellence in reporting GHG emissions and have a good understanding of GHG related issues affecting the company.

The 2014 Climate Disclosure Leadership Index survey was conducted on behalf of 767 investment companies around the world that manage US\$92 trillion in assets. The full list of companies included in the 2014 Canada 200 Climate Disclosure Leadership Index is available at [cdp.net](http://cdp.net).

In addition to working with CDP, Cenovus also voluntarily discloses information on its environmental performance through its annual corporate responsibility report which is available at [cenovus.com/responsibility](http://cenovus.com/responsibility).
