1. May include organizations to which Cenovus provided financial sponsorship for activities that supported advocacy in one or more of the following ways: support of activities to encourage stakeholder dialogue on policy-related matters involving engagement with government officials; support of events that generally promoted a position on a project that aligned with Cenovus's commercial interests; and support of events that provided general financial assistance to an organization known to undertake policy advocacy activity, such as meeting or corresponding with government officials for the purpose of influencing decisions. The advocacy position of these groups may or may not reflect Cenovus's perspective.
2. May include organizations and trade associations that are known to undertake advocacy activities such as meeting or corresponding with government officials to influence policy decisions. The advocacy positions taken by these groups may or may not reflect Cenovus's perspective.
