Calgary, Alberta (June 18, 2019) – Cenovus Energy Inc. (TSX: CVE) (NYSE: CVE) has determined the pricing for the previously announced cash tender offers (the “Tender Offers”) for up to US\$748,009,000 aggregate principal amount (the “Revised Maximum Amount”) of its 4.450% Notes due 2042, 5.200% Notes due 2043, 3.000% Notes due 2022, 4.250% Notes due 2027, 5.250% Notes due 2037, 5.400% Notes due 2047 and 3.800% Notes due 2023 (collectively, the “Notes”). The Tender Offers were made to all registered holders (individually, a “Holder” and collectively, the “Holders”) of the Notes upon the terms and subject to the conditions set forth in the Offer to Purchase dated June 4, 2019 (as amended or supplemented from time to time, the “Offer to Purchase”) and related Letter of Transmittal (the “Letter of Transmittal” and, together with the Offer to Purchase, the “Offer Documents”).

Cenovus will pay Holders who validly tendered and did not validly withdraw their Notes at or prior to 5:00 p.m. New York City time, on June 17, 2019 (the “Early Tender Date”) the Total Consideration specified in the table below for Notes accepted for purchase, plus accrued and unpaid interest on those Notes from the last interest payment date with respect to those Notes to, but not including, the Early Settlement Date (as defined below). The Total Consideration was determined in the manner described in the Offer Documents based on the yield to maturity of the U.S. Treasury reference securities specified in the table below (the “UST Reference Security”), as determined at 10:00 a.m. New York City time, on June 18, 2019, plus a fixed spread, calculated in accordance with the Offer Documents.

The Total Consideration to be paid for the 4.450% Notes due 2042 and 5.200% Notes due 2043 accepted for purchase is set forth in the table below.

Settlement for Notes that were validly tendered (and not validly withdrawn) on or before the Early Tender Date and that are accepted for purchase will occur on the “Early Settlement Date”, which will be determined at Cenovus’s option and is currently expected to occur on June 19, 2019, subject to all conditions to the Tender Offers having been either satisfied or waived by Cenovus. As the Tender Offers were fully subscribed as of the Early Tender Date, Holders who validly tender Notes after such date and on or before the Expiration Date (as defined in the Offer Documents) will not have any of their Notes accepted for purchase. Since the Withdrawal Deadline (as defined in the Offer Documents) has passed, Notes tendered pursuant to the Tender Offers may no longer be withdrawn, except as required by law.
